Funding of Triathlon Coaches' Courses

As proposed by the Bedford Harriers' triathlon sub-committee and approved by the Bedford Harriers full committee on 7th February 2011 the club has initiated a policy for the funding of triathlon coaches' courses.

The club has agreed to meet 100% of the costs of coaching courses up to BTF level 2 subject to the following provisions:

- The prospective coach must seek approval from the triathlon sub-committee prior to enrolling for any course.
- Subject to approval by the triathlon sub-committee the prospective coach must wait for written approval by the full Harriers committee prior to enrolling for any course.
- The prospective coach must pass the course.
- The prospective coach would fund the course fee initially. 6 months after passing the course and leading and/or actively participating in a coaching capacity of 4-6 sessions per month the coach would be reimbursed 50% of the fee with the remaining 50% reimbursed after 1 year assuming continued leading and/or actively participating in a coaching capacity of 4-6 sessions per month.
- The coach should keep a written record of their coaching sessions.

For further information, or answers to questions or queries please contact one of the triathlon sub-committee members.
